

Meet the Board of Directors

Raj Rajan

Principal, Subu Capital

Biography

Raj Rajan has 15 years of experience in real estate investments and has built an extensive knowledge base on single family and multifamily financing and construction. Raj is also very knowledgeable in international real estate investment after over ten years of involvement. He currently serves as a principal at Subu Capital which invests in multifamily and other alternative asset classes across North America.

Raj began his career in the semiconductor industry in 1987 and excelled in a variety of technical and management positions due to his analytical prowess and team development expertise. He specializes in improving processes, methodologies, and systems for optimal semiconductor chip design of leading semiconductor companies. Over the course of his 34-year career, Raj has served on several councils and industry technical committees.

Raj attained a B.S. in Electrical and Electronics Engineering and a M.S. in Computer Science.
